CPD Activities and Credit-Hour Table

*經本監委會認可、與 SDG 議題相關之訓練課程，積分得以 2 倍計算。

The information on the CPD activities recognized by this Committee and relevant details are provided in the table below.

It may be further noted that, as this Committee strongly supports IEA in its promotion of GAPC 4 with an emphasis on the achievement of UN SDGs, the CPD activities in the UN SDG related knowledge areas shall be assigned a double credit-hour (CH) score to encourage engagement in them by engineers.
